PROFILE

Aspiring Frontend Developer with a strong passion for building interactive and user-friendly web applications. Hands-on experience with HTML, CSS, JavaScript, and modern frontend technologies through academic and personal projects. Skilled in developing responsive, visually appealing, and performance-optimized user interfaces. Familiar with UI/UX principles, RESTful API integration, and version control using Git. Quick learner with strong problem-solving abilities , maintainable code. Seeking an opportunity to gain real-world industry experience and contribute effectively as a Frontend Developer.

PROJECT

TASKMANAGER

- Developed a full-stack Task Management System using React, Node.js,Express.js, and MySQL
- This project allows users to manage tasks, displaying pending and completed tasks
- Implemented secure user login and task management functionalities
- Utilized REST APIs for CRUD operations and ensured password security through bcrypt
- Enabled real-time task management and analytics

HOSTEL FAULT MANAGEMENT PORTAL

- System to manage faults in a hostel environment with real-time notifications
- Created a full-stack Hostel Fault Management System integrating React, Node.js, MySQL, and ML
- Implemented user authentication and automated fault categorization
- Designed responsive UI dashboards and built a Flask ML API for category prediction

SHOPFUSION ECOMMERCE

- E-commerce platform for product showcasing and user experience
- Developed a responsive e-commerce product showcase using React
- Created a user-friendly navigation structure and layout
- Optimized the interface for clarity and visual appeal

ACHIEVEMENT

- I was awarded a Certificate of Participation by Bannari Amman Institute of Technology for actively contributing to IDEATHON '24, organized by BIT - Special Labs. During the event, I presented an innovative idea titled "Birthday Reminder".
- I received a Certificate of Participation from Bannari Amman Institute of Technology for presenting a paper titled "Gaming and Animation" at the National Conference on Recent Advances in Design and Digital Multimedia – NCRADDM 2023.
- Successfully completed the TCS iON Professional Certification, gaining strong knowledge of workplace skills and professional ethics.
